LINCOLN MEMORIAL CELEBRATES 100 YEARS!

2022 will mark the 100th Anniversary of the Dedication of the Lincoln Memorial. This majestic memorial is one of the most iconic

monuments in Washington D.C. The structure that houses a statue of Abraham Lincoln watching over our capital city, is crowned with the inscription of the states that make our great union. Ground was broken for the foundation of the Lincoln Memorial on his birthday, Feb 12th, 1914 divided into two parts, a sub and upper foundation. All foundation work was completed in May 1915. Work continued at a steady pace until WWI when work slowed down, but continued. In 1918, all involved agreed that the statue of Lincoln would have to be doubled in size so that it would not appear lost in the building. Different stones used include granite blocks from Massachusetts, marble blocks from Colorado, Indiana limestone, pink Tennessee marble for the floor, Alabama marble for the ceiling tiles, and the Lincoln statue comprises 28 pieces of Georgia marble. Each material chosen to tell a very specific story. Once the roof was in place, decorative murals were painted on the tops of walls and the Gettysburg Address and the Second Inaugural were carved into stone. By 1920 the statue of Lincoln was assembled and completed. Throughout 1921 roadways and walks were built, trees and shrubberies were planted, lawns seeded and huge, old boxwoods were transplanted to the memorial grounds. Work also began on the Reflecting Pool. By the time of the

He was then assigned to duty in North Carolina, & captured at the Battle of Plymouth, NC April 20, 1864. Imprisoned in Andersonville prison, he was then transferred to Charleston, SC where he died on Sept. 21, 1864. Isaac is Buried in an unmarked grave in Beaufort National Cemetery, Beaufort, SC.

dedication on May 30, 1922, all work was done except for the pool and interior lighting.

Among the many notable guests in attendance at the 1922 dedication included Chairman of the Commission William Howard Taft, President Warren G. Harding and special guest Robert Todd Lincoln. Robert Todd Lincoln did not deliver remarks but listened with great interest as other speakers paid tribute to his father. This became his last public appearance. Dr Moton, president of the Tuskegee Institute, delivered the keynote address, promoting equality among the races, even as he spoke to a largely segregated audience. Vice President Calvin Coolidge also attended, as well as Marian Anderson the well known opera singer

OUR LONGEST SERVING MEMBER OF 94 YEARS

Joan Lee Dowd

Sister Joan Dowd could possibly be our longest serving member of our Order, having joined as a jr member most likely at the age of 5, 94 years ago! A faithful member of Mother Garfield Circle #9 in the Ohio Department, she often talked of remembering a LGAR event where she sat on the Governor's lap, one of her earliest memories. She served in all Department Offices, several of them numerous times. Her Mother, N. Frances Myers, was a very dedicated member, who volunteered faithful for many years at their local Veterans Hospital. Joan joined under her grandfather, Lewis Jeffries, who served in the 13th OVI Co C, enlisted in 1861 and was discharged in 1864.

Joan was 99 when she passed away on March 8th, 2022 in Lancaster, Ohio. She served her country proudly in the US Navy during WWII, and shared her war time experiences frequently with LGAR Sisters. She also held many offices in the American Legion Auxiliary and is survived by many grand children and great-grandchildren.

er, as well as a row of surviving Civil War Veterans. An estimated crowd of 50,000 attended this ceremony, while as many as 2 million listened across the country via radio.

Just as our Ladies of the Grand Army of the Republic members were in attendance in 1922 for the dedication of this Memorial, our Sisters will be in attendance for the 100th anniversary ceremony. Join us, May 22 at 10 AM for an unforgettable rededication ceremony highlighting the full range of meaning behind the Lincoln Memorial. Participants will include Lincoln historian Harold Holzer, Dr Medford, Dr Morris and actor Stephen Lang.

General Orders No. 3, 2021-2022

1. **Per Capita and Reports:** Please remember that Per Capita is due to the National Secretary by May 15th, and yearly Reports are due to her by July 1st. These hourly reports are most important as they keep us in compliance with our Federal Charter. Please do your part. There is a video on our website if you need assistance learning the process, or feel free to reach out to ANY of our National Officers, who are ALL willing to help.
2. **National Convention:** Please **get registered** for our National Convention early. The host committee is planning some great activities, and we are blessed to be instituting 2 new Circles as well. The schedule will be tight! If you have a **resolution** to be submitted, please be sure to follow the proper procedure by taking your resolution idea to your Circle for a vote. Your Circle resolution should then go to your Department for a vote, and if approved, can then be sent to the National Secretary to be **received by July 15**. If you have just a **question** to be addressed, please be sure our National Secretary has that to add to the agenda by July 15th. We will be very short on time, and will be sticking to our schedule. Any other items that come before the body on the floor may have to be placed on the next National Advisory Council agenda to save time during our meeting hours. Be sure to review the schedule as it's slightly different this year to accommodate the many special events planned.
3. **National Convention Attire:** As you know we are now incorporating red and blue business attire in addition to our white, so please chose from those 3 colors for convention attire. Our Memorial Service Participants, which this year will include all National Officers, are asked to wear long white for the Memorial Service.

4. **PA Department:** The Charter of the LGAR Department of Pennsylvania has been reinstated, newly elected officers have conducted biweekly meetings, and business has continued by this sanctioned Department.
5. **Memorial Day:** Hold sacred observance of Memorial Day, May 30th, and display the flag. Place flowers on our hero's graves with reverent hands, strew flowers on the water, but remember that the greatest honor we can show them is upholding the ideals and flag they fought for and for which many died. May all our acts be in keeping with the sacredness of Memorial Day and may we show our appreciation of the heritage they handed down to us by preserving it for us, and for future Generations.
6. **Kids with a Cause:** Please contribute items (beef jerky, baked goods or protein powder) or dollars (made payable to "LGAR Nat'l Org" and sent to the National Secretary) for our USA troops deployed to the Ukraine border. Our supplies and funds will be distributed to Miss Sawyer's Kids with a Cause nonprofit, who will then ship all items overseas. This donation process will take place until July 1st.

Travels:

2022 began with completing one of two Public Service Announcements that is now up and running. Be sure to check the website if you missed it. January also started the year with a visit to our Museum Headquarters, and a conference with the curator to go over upcoming fundraising for Museum Maintenance.

Multiple legal phone conferences and meetings prevented me from being able to travel to Washington D.C. for the Lincoln Memorial Birthday Ceremony that was cancelled and then on short notice reestablished, and I wish to thank National Secretary, Madeline Rock, for making the journey to D.C. to represent LGAR and lay the wreath. Following my appointments that day, I was able to celebrate Lincoln's Birthday by hosting a dinner for my local Circle and a local Auxiliary to the SUVCW. Fellowship and dinner was enjoyed at a local restaurant. The following weekend I did a little fundraising for the LGAR at the Ohio Regimental Military Ball, and styled hair for donations to our organization for the day. My next day also included participating in the LGAR Online Trivia Night, which boosted our General Fund fundraising.

March entailed attending a Vietnam Veteran's Ceremony at the Western Reserve National Cemetery along with internment services for 69 Veterans. The

(Continued on page 4)

(Continued from page 3)

month also included cooking lunch and making coffee all day for a local Veterans Fair. My local LGAR Circle also participated by setting up a booth, and the day was so successful distributing information as well as bags of food to all Veterans, that not only will it become an annual event, but the food distribution process to local Veterans is now being created as a monthly service. Organizations such as ours will assist with this process.

As I prepare to attend the annual Lincoln Death Day Ceremony at his tomb in Springfield, IL, I am humbled that several National Officers will attend with me once again, and that although this is scheduled over Easter weekend, we are even making time to visit and enjoy seeing each other. At the end of April I will be attending the 200th Birthday Celebration of Grant at his birth home, and will lay a wreath, attend a dinner and represent the LGAR.

In May I plan to attend the Lincoln Memorial Rededication Ceremony. The Lincoln Group of D.C., in partnership with the National Park Service, will hold a "rededication ceremony" to highlight the full range of meaning behind the Lincoln Memorial, from its original meaning as a memorial to Lincoln's life and contribution as savior of the Union to becoming a symbol of civil rights. Participants will include Lincoln historian Harold Holzer; Dr. Edna Greene Medford, noted Lincoln scholar from Howard University; Dr. Charlotte Morris, president of Tuskegee University; and actor Steven Lang of Avatar, Gettysburg and Gods and Generals fame. The ceremony will also include musical accompaniment from the United States Marine Quintet and singer/actress Felicia Curry. Over Memorial Day weekend my plan is to attend the 155th annual Memorial Day parade and ceremony in Sharpsburg, MD, where I will lay a wreath, followed by visiting the Antietam National Cemetery and Battlefield once again. From there I travel on to participate with 300 citizens paying tribute to Vietnam Veterans..

In June, all are welcome to join me as I help to create a LGAR Membership booth for the G.A.R. event that is being held in conjunction with a Cowboy weekend at the Old Bedford Village in PA. This weekend, while in first person 1890 style, will also be a chance to meet several of our new Bedford, PA members.

My last travel will be to Iowa to re-dedicate a plaque placed by the LGAR in Dewitt. I have enjoyed

working with their local D.A.R. chapter who is organizing this work/re-dedication. I am honored to attend this rededication, as well as be a featured speaker on the LGAR and the work we have done since 1881.

As I end my term traveling to Gettysburg, PA for our National Convention, I hope many of you will plan to attend and help make history as we unveil our new plaque/bench, fundraise for Veteran Suicide Prevention by attending our Night at the Museum, take advantage of private battlefield tours to see where your ancestor fought, and witness a traditional LGAR Memorial Service on the battlefield.

Although my term as National President was met with many, many covid restrictions, multiple travels cancelled and challenging situations in an administrative regard, I wish to thank all of our Officers and committed members for your cooperation. Without you my term would not have been so wonderful. All the time and thought I have given my beloved Order has been repaid ten-fold by the experience I have gained and the dear friends I have made along the way.

Faithfully In F.C.L., Elizabeth Rock

Department of PA is back on track in 2022, demonstrating support of our national bylaws and mission. Interim Officers have been elected with upcoming annual elections for 2022-2023 in June. We continue our focus upon, "Education, preservation, and community service." Current Dep't of PA Pres Shirley Dines honored 1951-1954 USAF and PDP Mary May's 70 years of patriotism at South Side Historical Village in PA last month. Pres Shirley presented the handmade quilt that she designed using artisan skills of yesteryear. Yellow Ribbons of Remembrance for our military were hung throughout the Village and on large woven Easter baskets in honor of those serving in present day. Significance of the colors on the flag was incorporated into patriotic literature and color-coded Easter eggs. Those present signed 92nd Birthday card for Dep't of PA Historian- beloved 50 -year Ladies member and Past Circle President Virginia Fosnaught. Sisters across four states have actively contributed their gifts of time and talent for Dep't of PA these recent months- thank you all. Submitted in F., C., & L., Dorothy Walker, Dep't of PA Secretary

Orr Circle and National Treasurer Stevenson paid tribute to Mary Owens Jenkins this winter. At 20 in 1861, Owens enlisted in the Union Army to serve in the Civil War, as a man, so she could serve alongside her sweetheart, William Evans. She posed as his brother, "Johnny Evans," when they enlisted at a Pennsylvania recruiting facility.

John Logan's Order

I. The 30th day of May, 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyard in the land. In this observance no form or ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit.

We are organized, comrades, as our regulations tell us, for the purpose, among other things, "of preserving and strengthening those kind and fraternal feelings which have bound together the soldiers, sailors, and marines who united to suppress the late rebellion." What can aid more to assure this result than by cherishing tenderly the memory of our heroic dead, who made their breasts a barricade between our country and its foe? Their soldier lives were the reveille of freedom to a race in chains, and their death a tattoo of rebellious tyranny in arms. We should guard their graves with sacred vigilance. All that the consecrated wealth and taste of the Nation can add to their adornment and security is but a fitting tribute to the memory of her slain defenders. Let no wanton foot tread rudely on such hallowed grounds. Let pleasant paths invite the coming and going of reverent visitors and found mourners. Let no vandalism of avarice or neglect, no ravages of time, testify to the present or to the coming generations that we have forgotten, as a people, the cost of free and undivided republic.

If other eyes grow dull and other hands slack, and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remain in us.

Let us, then, at the time appointed, gather around their sacred remains and garland the passionless mounds above them with choicest flowers of spring-time; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us as sacred charges upon the Nation's gratitude, -- the soldier's and sailor's widow and orphan.

II. It is the purpose of the Commander-in-Chief to inaugurate this observance with the hope it will be kept up from year to year, while a survivor of the war remains to honor the memory of his departed comrades. He earnestly desires the public press to call attention to this Order, and lend its friendly aid in bringing it to the notice of comrades in all parts of the country in time for simultaneous compliance therewith.

III . Department commanders will use every effort to make this order effective.

By order of JOHN A. LOGAN, Commander-in-Chief

*Issac and Abraham Rice, twins, were among the Bedford County's volunteers in the Pennsylvania 101st. Issac died as a prisoner of war; Abraham survived and returned to the family home in Robinsonville before going west.

Organized by Membership at Large member Deb Miller, who chose Corp. Rice for his many experiences of the common soldier. He lived on a farm, had several brothers in the war, was in battles, marched in the rain, heat and

mud, reenlisted, died as a prisoner of war and his body lies in the South. Honoring Corp. Rice honors the memory of countless Union soldiers, and this Circle will be Instituted at our National Convention in August.

This new Circle plans to complete the following work:

- Attend Memorial Services, Veteran's Day services, etc.
- March in parades (Remembrance Day and local)
- Volunteer at Veteran's Administration (Please note that I'm retired from the VA so I can come up with contacts and many ideas for this).
- Assist with genealogy research for members and potential members
- Fundraisers for Pets for Vets (I'm making a quilt)
- Work day - Clean up graves or monuments
- "Cemetery" tours...introducing civil war veterans
- Volunteer at schools, scouts, youth organizations with educational projects
- Let the daughters, nieces, young people plan a special day or project.
- Always include something at each meeting to include the young ladies
- Honor birthdays of Union soldiers/officers or politicians
- Summer picnic at a historical spot
- Keep in touch with members in between meetings

One of the larger projects that the Isaac Rice Circle will be working on, is the placement of a plaque on the G.A.R. pavilion in the Everett, PA Cemetery. This plaque will explain who the G.A.R. is with a history and notation that the plaque is placed by the L.G.A.R. We congratulate these ladies already being off to a great start, full of projects and ambition and look forward to working with them in the future.

The Ladies of the G.A.R. are off to GETTYSBURG

While the Ladies of the Grand Army of the Republic, Inc. never held a National Convention in the Borough of Gettysburg until this year, they did make arrangements for day trips while conducting business in nearby larger towns such as Harrisburg. The following National Presidents had their Encampment in Harrisburg and were able to visit Gettysburg as part of a tour time: PNP Theo McCallum in 1956, PNP Barbara Tyler in 1998, PNP Opal Nelson in 2006. The Department of Pennsylvania, however, held a number of Department Conventions in Gettysburg in the following years: 1900, 1901, 1902, 1904, 1909, 1912, 1913, 1929, 1941, 1958, 1965, 1971, & 1993. Mostly meeting at the Court House as well as the St James Lutheran Chapel. The number of Circles that have formed in Gettysburg remain small, only to believe that Gettysburg has remained a place to visit and pay tribute to, rather than one to live in. Circle #138 was called simply the "Gettysburg" Circle. Unknown Circle name #227 was organized mid 20th century, and then organized in 2002 was the "Elizabeth Thorn" Circle #231. Our Organization stands ready to Institute yet another new Circle in 2022, made up of Gettysburg women who have a love and passion for Civil War living history. Here we grow again!

Special Events at the 136th Annual National Encampment August 2022

On Thursday, August 11th at 7 pm join the Margaret M. Orr LGAR Circle from Ohio in front of the Court House as they unveil a new bench with a plaque dedicated to the LGAR. The National Patriotic Instructor will conclude with her patriotic lesson, and following the ceremony all guests are invited to the G.A.R. Hall on Middle St for refreshments. This G.A.R. Hall building was originally a church and in 1867 Gettysburg Civil War Veterans organized the local post, Corporal Johnston H Skelly Post #9. Now owned by the Historic Gettysburg Adams County Inc./Historic Preservation Society, this Hall has been fully restored.

Friday night, August 12th at 7 pm don't miss out on attending our Night at the Museum when local living historians come alive to tell their stories of Gettysburg. Enjoy having the Heritage Museum to ourselves, and partake in the appetizer table with a glass of wine, all while we raise funds for Veteran Suicide Prevention. This is a rare opportunity to raise funds and have fun for the evening. Pre-Registration Requested.

Saturday, August 13th at 11 am plan to attend our National Memorial Service at Sach's Covered Bridge on the battlefield. Built in 1852, the historic covered bridge was used by both Union and Confederate Troops during the battle. It is located off Pumping Station Road crossing over Marsh Creek. In 1938 the bridge was designated Pennsylvania's most historic bridge by the Dept of Highways. This year our Memorial Service will include memorials from an original G.A.R. Memorial service from the late 1880's.

If you've never been to Gettysburg before and are planning your trip, you want to be sure to make the Visitors Center your first stop. From there you can take a self guided tour of the battlefield or arrange for a licensed tour guide.

However, if you know you have a Civil War Ancestor that fought at Gettysburg secure your private tour to see where your ancestor fought, and learn the history of his unit's involvement at the battle of Gettysburg. To sign up, email the National Secretary made-line.rock@aol.com with the following information:

- Your Name & Email & Cellphone**
- Ancestor Name**
- Unit and Company Ancestor served in**
- Date of arrival and departure for Convention**
- Confirmation with a time slot will be emailed to you at the end of July.**
